RECIPE

Chocolate Covered Strawberries

- 16 oz milk chocolate chips
- 2 tbsp shortening
- 1 lb fresh strawberries with leaves

In a microwave safe bowl, pour in the chocolate chips and shortening. Melt in microwave, stirring occasionally until smooth.

Holding the strawberries by the leaves or a toothpick, dip the strawberries into the chocolate mixture. Lay dipped strawberries on a small baking sheet or tray. This will need to fit in your freezer or refrigerator, so it may be worth checking it for size before you start. Serve when chilled and chocolate has hardened.
