RECIPE

Frozen Banana Yogurt Bites

- 1 large ripe banana
- 2/3 cup yogurt of your choice
- Handful of dried banana chips (optional)
- Handful of mini chocolate chips (optional)

Lay out approximately 12 cupcake cases or silicon muffin cups on a small baking sheet or tray. This will need to fit in your freezer, so it may be worth checking it for size before you start.

Peel the banana and drop into a medium sized bowl. Mash up with a fork until most of the lumps have gone. Add in the yogurt to the bowl and whisk together until well combined. Using a spoon scoop up some of the mixture into the bottom of each cake case until all the mixture has gone. **Optional: Top with banana chips or chocolate chips if wanted.** Place the cups (still on the baking tray) into the freezer and leave to freeze for a couple of hours until set solid. Once frozen through, remove from the cases and serve.
