RECIPE

Cheese Fondue

- 1 pound grated processed Swiss American cheese (or sandwich slices)
- 1 1/2 cups very dry white wine, Chardonnay or Chablis
- 2 cloves mashed garlic
- 1/4 tsp. white pepper
- 1/8 tsp cayenne pepper
- Pinch of nutmeg

In a stainless steel saucepan, simmer white wine garlic, nutmeg, white pepper, and cayenne pepper for approximately 10 - 15 minutes to reduce wine and let the alcohol cook out. Place grated cheese or slices in wine mixture. Stir with a wooden spoon. Place in fondue pot and serve with slices of sausages and French bread.
